

Remarks

The specification has been amended to include a reference to the priority applications and titles of main parts of the specification.

Claims 1-10 are currently amended to remove multiple dependencies; and to meet the requirements of the United States Patent and Trademark Office.

To meet the requirements of the United States, the Abstract (as originally filed in the published PCT application) is amended.

No fee is believed to have been incurred by virtue of this amendment. However if a fee is incurred on the basis of this amendment, please charge such fee against deposit account 07-0832

Respectfully submitted,
Julien Thollot
